

7. oktober 10.00 – 11.30

Mødelokale 1671-234

Institutedelse

Deltagere: Søren Bom Nielsen, Charles Leshner, Esben Auken, Jan Piotrowski, Mads Faurschou Knudsen, Lene Kjeldsteen, Thomas Lund Hansen

Minutes

1. Department economy and Forecast 3

Brief review of the department economy and forecast 3. Review will continue at next meeting in November.

2. Introduction of an economy model for running laboratory expenses

Model/template was introduced. It is expected that the model can be used in connection with all other lab facilities.

3. AOB: It was agreed to table the employment of new lab technician until further need has been established (to leave the item on the agenda).
