

14 March 11.15 – 12.15
Mødelokale 1671-234
Extra Steering Committee Meeting

Søren Bom Nielsen, Lene Kjeldsteen, Mads Faurschou Knudsen, Jan Piotrowski, Charles Leshar, Esben Auken, and Karen Engell Dalsgaard (minutes).

There was only one item on the agenda: A discussion of initiatives to increase earnings/cut expenses.

Søren distributed a copy of a budget overview as well as a copy of the suggested initiatives that have come in from various groups and employees at the department.

The budget overview and some of the suggestions were discussed.

However, it was agreed that suggestions for cuts in expenses were difficult to discuss on a concrete level in the current situation where there are no concrete numbers to relate to.

All suggestions will be put forward, and Søren will write the Steering Committee's recommendations. Søren will circulate a draft when he knows more after the faculty management meeting on Wednesday.
