\* based on the 2020 process plan

\*\* In 2021, only a single GS call will be announced

BEFORE	DURING
Process information Identification of candidates Pitch sessions	Application support - commenting, sparring, budget, etc. Local peer reviews/mentoring

Note. Besides the listed process plans, we have also:

- described a process for how the researchers can construct their own budgets for the IRFD calls, including various budget tools.
- developed a number of tools, including budget templates, time plan and division of tasks, among others, for EU coordinator applications (this level of assi
