	Start Package	For Faculty recruitment 2023 Q1-4	Biomedical and health science research and applications											
			Life science research and industrial applications promoting sustainability											
			Natural and technical science research and interdisciplinarity											
	RECRUIT	Grants for International recruitment - 90 mio. DKK available for AU across the three levels of seniority. Faculty decision!!!												
	Lundbeckfonden	Collaborative Projects	Ascending investigators											
			Professors											
			Experiment											
Postdoc														
Theme: Neuroscience														
Fellowship														
Villumfonden	Collaborative Projects	Young Investigator												
		Investigator												
		Experiment												
		Not available in 2023												
Carlsbergfondet	Semper Ardens	Accelerate (yearly)												
		Accomplish (every other year)												
		Advance (every other year)												
AUFF **	Research Infrastructure	5 years, 5 mio. DKK												
		5 years, 7-10 mio. DKK												
		5 years, 15-20 mio. DKK - NOT AVAILABLE IN 2023												
AIAS **	Fellowships	Research Infrastructure												
		AUFF Recruitment Grants - apply continually (departments)												
		AUFF NOVA												
AIAS **	Fellowships	AUFF International mobility												
		t.b.d.												
		AIAS-COFUND Fellowships - to be confirmed												
AIAS **	Fellowships	Jens Christian Skou Fellowships - to be confirmed												
		AIAS Associate Fellows												
		26. (Nat)	12. (AIAS)											

DEADLINE EXPECTED ANSWER INTERVIEW

* For HEU applications, applicants will be notified of the outcome of the evaluation within 5 months after the deadline. The Grant Agreement must be signed within 3 months hereafter.

** Disclaimer! AUFF and AIAS are considered internal AU grant opportunities. Thus, the RSO does not assist with these applications.
